Message from the Head Teacher

On Wednesday we all enjoyed our Jubilee celebrations on the common. It was wonderful to have so many of you join us for a picnic with the children and hear them sing 'Sing' by Gary Barlow as a school. The weather was perfect. We hope you enjoyed it too.

Year 5 and 6 had a great time on their **PGL** camp just before the holidays (hence our slightly delayed Jubilee celebrations). It is a fantastic opportunity to build team work skills, try out new and exciting activities and spend some time away from home, for some, for the first time. My thanks to all the staff who attended for the week too.

On Monday we shall be having the **Class photographs** taken. Remember your best smiles!

New School Update Reminder of T2P message sent prior to the half term break: Unfortunately the builds team have had to slightly alter the arrangements for our next visit to the new site. The new timetable is now below:

Timetable

Tuesday 14th June

9.15am - Reception (Unicorn)

10.15am - Dragon

11.15am - Phoenix

Thursday 16th June

9.15am - Gruffalo

10.15am - Griffin

As before, if any parents are able to support with walking over to the site, please contact the class teacher. Thank you for your support.

The building is taking shape with most of the triple glazed windows now in place. These take 2 to 3 days to fit for each classroom due to their size and weight! The wooden panels are being fitted to the top half of the building now ready for more insulation next week. This helps to fully insulate the building like a thermos flask for our Passivhaus status. These will then be rendered.

Alongside the building project I have also been working with Pentagon Play who create play equipment and do floor markings on playgrounds. We have received our proposals for the play equipment which will be installed once we take possession of the building later this year. It will mean a short delay between moving in and having it fitted but I know it will be worth the wait. All proceeds raised for the FOFS will go towards new play equipment for the site.

Along with this I have been busy working with the interior designers, choosing the colours for each room along with the furniture and carpets/ flooring. As you can imagine, this is a mammoth task for a two form entry school. Lots of fun too though! The theme for the colour scheme is inline with our new logo, with an aim to be natural in colours and the feel. This reflects our beautiful surroundings with the conservation area on our doorstep. The view from the classrooms, overlooking the conservation area, is really quite tranquil and calming. We can't wait to get in, as I am sure you all can't too!

Learning in Gruffalo Class

In Gruffalo Class we have continued to enjoy growing and sharing our learning together. This term we started our new topic, "Who are we?", by exploring our own identity and sharing this with one another. We have found out lots more about our friends and this has brought us closer together. To represent our close relationships, we created a friendship web (see photo) during which we shared what we liked and respected about each other.

Last term, we enjoyed getting creative in many different ways including our

music lessons and during the public art day. It was great fun creating our artwork by painting shapes and lines in whichever way inspired us. Some of us incorporated dance into our painting and our artwork was created by big sweeping movements across our paper. Our dance moves, including some head banging, had Miss Pickering in fits of laughter!

As we enter into the last term, Miss Pickering and the other adults are feeling very proud of all that we have achieved and we are feeling proud of ourselves too! Just before half-term the Year 2s sat their secret agent tests (SATs) and this week the Year 1s have taken their phonics screening test. We all showed great perseverance, worked hard and tried our very best. Well done Gruffalo Class!

Value for term 6: Respect

Pause for Thought

This week: What does the bible story of 'The Roman Centurion' tell us about valuing differences?

Friends of Frenchay School (FOFS)

Friends of Frenchay school (FOFS) PTA will host a pop-up shop on Wednesday 15th June at school.

Children will be able to choose a gift for the superman in their life for Father's Day. Participating children will be taken to choose a gift during the school day. The gift will be wrapped by FOFS and sent home with the child on Friday 17th June.

Each present costs £2.50. Got two supermen? Great, just mark on your form and pay for each person. More than one child at school? Just send a form back for each. Please hand forms and cash back to the class teachers. Card payment can be made in KS2 playground at pickup on Monday and Tuesday.

Raffle Prize Request

Bring raffle or tombola prizes in for Friends of Frenchay School to Wear your own clothes to school on Friday 24th June. Wine, chocolates, unused giftsets are always welcome. Items will be used at our Summer BBQ.

Outside Achievements

In support of Macmillan Cancer, Leni and her family decided they would do a skip-ping challenge as a family of 4.

Skip into June with Macmillan Challenge - Macmillan Cancer Support

Leni is dedicated to the cause and has been steadily increasing and pushing herself as the week has gone by. She's set herself a personal goal and won't do any less than 100+ per day. She's an inspiration to us all. Well done Leni, amazing work.

Here's the family's facebook fundraiser if you wish to sponsor them. They are already up to £321.00
